and panel discussion

Friday September 13, 2013

7:00 pm

Center for Faith and Life Gallery

Luther College

700 College Dr.

Decorah, Iowa 52101

Tel: 563-387-2000

The education photo project is a visual exploration of the inspiration, motivation and passion in those who educate and a look at the people and places that have shaped their own strength and vision.

It includes a series of documentary photos of life at a few Chicago public high schools and the challenges and successes experienced.
